

Financial Assistance Policy Plain Language Summary

Highpoint Health with Ascension Saint Thomas provides free or discounted emergency and other medically necessary care to patients who do not have insurance and who qualify for assistance under its Financial Assistance Policy. Certain exclusions apply, including, for example, elective services, balances covered by other funding sources, and failure to cooperate in securing alternative funding sources.

This document is only a summary. Please refer to the Financial Assistance Policy for complete details.

Eligibility Requirements and Assistance Offered Under the Financial Assistance Policy

Patients who qualify for assistance are eligible for income-based, sliding scale discounts for emergency and other medically necessary care. In general:

- Uninsured patients whose family income is equal to or less than 200% of the Federal Poverty Guidelines are generally eligible for free emergency and medically necessary care.
- Uninsured patients whose family income is between 200% and 300% of the Federal Poverty Guidelines generally receive a sliding scale discount ranging from **100%** to **60%** for emergency and other medically necessary care.

A patient who qualifies for assistance under the Financial Assistance Policy will not be charged more for emergency or medically necessary care than amounts generally billed to patients having insurance covering such care.
